VOTE THE COAST

Dear San Diegan,

We are unanimous!

Lorena Gonzalez' commitment to protecting our beaches, neighborhoods, and quality of life has earned her our endorsement.

Lorena's opponent has lobbied at City Hall on behalf of developers.  That raises too many questions.

On the State Lands Commission, Lorena has been a champion of San Diego's beaches and bays. As Vice-President of San Diego's League of Conservation Voters, Lorena worked to reduce pollution in San Diego Bay. And Lorena forced oil companies to clean up their old oil rigs.

Please join us and your neighborhood leaders in supporting Lorena Gonzalez for City Council.

Sincerely,

Richard Miller

P.S. Take a moment to consider what Susan Davis, Dede Alpert, Christine Kehoe, and Lori Saldana have to say about Lorena!
